### Bachelor in Economics and Business Economics

Erasmus University Rotterdam, The Netherlands

*Specialization: Policy Economics*

*August 2016 - August 2020*

## RESEARCH INTERESTS

---

**Financial accounting:** Disclosure, Regulation, and Environmental, Social and Governance (ESG)

**Artificial Intelligence:** Natural Language Processing, Machine Learning, and Deep Learning

## RESEARCH

---

### Working papers

- **Early Evidence on the EU AI Act: AI disclosure**  
Single-authored job market paper.
- **Narrative Disclosures of Loss Firms**, with Jeroen Koenraadt and Edith Leung  
Received Convergence funding from AI and data science in 2023.
- **Mandatory ESG reporting and enforcement: Evidence from mandated pay transparency in job postings**, with Jeroen Koenraadt, Edith Leung, and Nico Lehmann

## RESEARCH EXPERIENCE

---

### Research Assistant Accounting, Auditing and Control

Rotterdam, The Netherlands

*Erasmus University Rotterdam*

*September 2021 - May 2022*

- Creating a code to extract at-the-market filings from all filings available on SEC-EDGAR.
- Python implementation of open source research on facial recognition  
Analysis into the architecture of Convolutional Neural Networks for image classification
- Data gathering related to green bonds

## TEACHING EXPERIENCE, STUDENT-ASSISTANT EXPERIENCE

---

### Teaching Assistant Intermediate Accounting

Erasmus University Rotterdam

Rotterdam, The Netherlands

May 2020 - June 2020

- Teaching related activities, i.e. preparing and presenting tutorial material, as well as answering questions of students
- Developing online study material on the e-learning platform Sowiso. This involves programming, pretesting and developing questions for practise, testing and examination purposes. This also involved introducing other teaching assistants to the e-learning platform.
- Course administration, i.e. answering emails from students, setting up online tutorials via Zoom, and keeping students informed about course related information and updates

### Student Assistant Accounting Auditing, and Control

Erasmus University Rotterdam

Rotterdam, The Netherlands

November 2019 - April 2020

- Contributing to the SOWISO e-learning platform

### Teaching Assistant

Erasmus University Rotterdam

Rotterdam, The Netherlands

January 2019 - November 2019

- Accounting
- Applied Microeconomics
- Intermediate Accounting
- Marketing

### Tutor

Zeldenrust-Steelantcollege

Terneuzen, The Netherlands

January 2016 - April 2016

- Tutoring the course Management and Organisation

## CERTIFICATES

---

**Risbo Didactical training for teaching assistants (August 2018)**

**International Baccalaureate: Language A: language and literature (August 2016)**

**Cambridge Advanced English certificate, Council of Europe Level C1 (June 2014)**

## PHD COURSEWORK

---

### Audited: PhD seminar

Course around accounting research on corporate governance.

University of Colorado at Boulder

Yonca Ertimur

### Audited: PhD seminar

Course around the effects of technology on accounting and capital markets.

University of Colorado at Boulder

Andrew Stephan

### Market-Based Research in International Accounting Part 2

Course on applying the concepts of international accounting research to specific areas like IFRS adoption, regulation, and enforcement.

DAR

Luzi Hail

### Capital Market Research

Discussing the main papers that together make up the fundamentals of capital market research.

Limperg Institute

Peter Easton

### Archival Data Analysis

Endogeneity and controlling for confounding factors, difference-in-differences, fixed effects, matching, instrumental variables, selection models, standard errors, regression discontinuity design, scaling, and outliers.

Limperg Institute

Prof. Dr. D. Veenman

## MOST RELEVANT RESEARCH MASTER COURSEWORK

---

<b>Advanced International Financial Reporting Standards</b> <i>Business combinations, consolidation, financial instruments, associates, foreign currency, and joint arrangements</i>	September 2021 Prof. Dr. M. Pronk
<b>Natural Language Processing</b> <i>Data collection, data preprocessing, ngrams, sentiment analysis, topic models(Latent Dirichlet Allocation), word embeddings, Bert</i>	May 2021 Prof. Dr. B. ACD Donkers, and Dr. M.H. Morren
<b>Unsupervised Machine Learning and Reinforcement Learning</b> <i>Principal Component Analysis, Multidimensional scaling, cluster analysis, Multi-Armed Bandits</i>	March 2021 Prof. Dr. G. Liberali, and Dr. P.C. Schoonees
<b>Supervised Machine Learning</b> <i>Lasso, Basis expansions, Bagging, Random Forests, Classification Trees, Regression Trees, Gradient Boosting</i>	January 2021 Prof. Dr. P. J. F. Groenen, and Dr. P.C. Schoonees
<b>Deep Learning</b> <i>Convolutional neural networks, recurrent neural networks, transfer learning, feed forward neural networks</i>	May 2021 E. Raviv

## PRESENTATIONS

---

<b>PhD Colloquium of the Dutch Accounting Research Conference</b> <i>Presentation of Early evidence on the impact of the EU AI Act: AI disclosure</i>	June 2025
<b>EAA doctoral colloquium</b> <i>Presentation of Early evidence on the impact of the EU AI Act: AI disclosure</i>	June 2025
<b>University of Colorado at Boulder</b> <i>Presentation of Early evidence on the impact of the EU AI Act: AI disclosure</i>	May 2025
<b>University of Colorado at Boulder</b> <i>Presentation of Narrative Disclosures of Loss firms (joint work with Jeroen Koenraadt and Edith Leung)</i>	January 2025
<b>Dutch Accounting Research Conference</b> <i>Discussant during the Pre-PhD program.</i>	June 2024
<b>ESE Accounting Research Retreat</b> <i>Presentation of early idea Narrative Disclosures of Loss firms</i>	October 2023
<b>EEA Annual Congress</b> <i>Presentation of Re-examing the relevance of disclosure readability for retail investors (extension of my master thesis and joint work with Edith Leung)</i>	May 2023

## REVIEWER

---

**The European Accounting Review**

**AAA FARS Annual Meeting**

## ATTENDED CONFERENCES AND WORKSHOPS

---

<b>Dutch Accounting Research Conference</b> <i>Presented an early stage version of my job market paper at the PhD Colloquium.</i>	June 2025
<b>Colorado Summer Accounting Research Conference</b>	June 2025

<b>EAA Doctoral Colloquim and Annual Congress</b> <i>Presented an early stage version of my job market paper.</i>	May 2025
<b>Financial Accounting and Reporting Section Midyear Meeting</b>	January 2025
<b>Dutch Accounting Research Conference</b> <i>Discussant during the Pre-PhD program.</i>	June 2024
<b>Erasmus Accounting Workshop</b>	April 2024
<b>Tilburg Winter Symposium and Research Camp</b>	December 2023
<b>Junior Accounting Meeting</b>	October 2023
<b>EEA Annual Congress</b> <i>Presented my working paper and extension of my master thesis (joint work with Edith Leung): Re-examining the relevance of disclosure readability for retail investors</i>	May 2023
<b>Erasmus Accounting Workshop</b>	March 2023
<b>Dutch Accounting Research Conference</b>	March 2023
<b>Tilburg Winter Symposium and Research Camp</b>	December 2022
<b>Junior Accounting Meeting</b>	September 2022
<b>Dutch Accounting Research Conference</b>	March 2022

## SKILLS

---

**Languages:** Dutch, English

**Programming languages:** Python, R, Java

## EXTRACURRICULAR ACTIVITIES

---

**Personnel Council Officer for the School Council of Erasmus School of Economics (Sept 2023 - August 2024)**

**Student Council Officer for Business Data Science and Tinbergen Institute (August 2020 - August 2022)**

**Business Data Science Ambassador**

## PERSONAL INTERESTS

---

**Dancing (classical ballet, contemporary, and street-jazz), surfing, powerpump, spinning, reading books, and driving my motorbike.**
